It was not too long ago when a group of dedicated nurses gathered at Carl Silva's Residence. The persistence and dedication of then President of PNAMH Riza Mauricio, Carl Silva and other leaders of PNAMH saw the birth of another subchapter. 20 members became the pillar of this professional organization:

Lawrence Alamil; Delia Bell; Elvira Canlas; Desiree Canlas; Gertrude Canlas; Norma Cepeda; Lourdes Deleon; Tina Dimafiles; Elisa Dioson; Tess Dublin; Ferdie Gray; Nenita Ibe; Jenny Lano; Eillen Luster; Lilibeth Williams; Emily Linang; Rosie Marquez; Remedios Sales; Charina Sarmiento; Maria Turqueza

Since then we have grown into 54 members and continuously growing. Community outreach programs, education, network, professional growth, friendship, mentorship are among the many offerings in joining PNAMH North chapter.

Don't be left out. Join the celebration that will be talked about in years. June 23, 2012, Saturday at
